The Chairman Message

Chairman- Syed Ayaz Ali Shah

In the Name of Allah, the Most Gracious, the Most Merciful

It is one of the greatest honors of my life to serve this noble organization as the Chairman of the Board. For the past five years, I have witnessed the true meaning of compassion, unity, and selfless dedication within the Sadat Itehad Welfare Organization Pakistan (Registered). I have seen our team stand together like a family – working day and night, with love in their hearts and hope in their eyes – to make a real difference in people's lives.

Over the past year, Allah has blessed our efforts with remarkable achievements.

Every Ramadan, we distribute over 300 Ramadan Ration Bags to deserving Sadat families and to struggling households from low- and middle-income backgrounds. Each bag is more than just food – it is a message that they are not alone, that someone cares for them.

Our educational mission is also bearing fruit. Many young students from our center is now pursuing CIT/DIT studies in Hyderabad and Jamshoro, while also giving home tuitions to support himself and other deserving Sadat students across Pakistan. This is how one spark of knowledge lights many other lamps.

In the field of healthcare, we continue to provide medical facilities and ambulance services across Pakistan – ensuring that in moments of crisis, help reaches those who need it most.

This year, during Ramadan, we took another big step forward. We collected Ramadan Ration registration forms from poor and deserving Sadat families and presented them to the Sindh Government. I am humbled to share that 50 Sadat families have now been approved to receive monthly financial support from the government – a victory for which I thank Allah and the tireless efforts of my Vice Chairman, Dr. Syed Shahbaz. Serving not only in our organization but also as a doctor in Aga Khan Karachi and Civil Hospital, he has proven that dedication and service have no limits. I salute him for his sincerity and endless hard work.

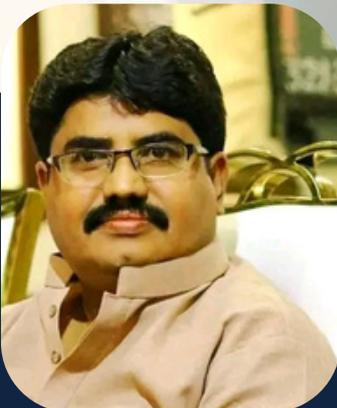

Sadat Itehad Welfare Organization Pakistan (Registered) is more than an NGO for me – it is my heart's mission. It is my way of repaying the love, respect, and trust my community has given me. Along this journey, I met extraordinary people who shared my dream of building a just and compassionate society. Today, those people stand beside me as my team – working with passion, owning this mission as their own, and making sacrifices that inspire me every day. Without them, our impact would not have been possible.

Now, we are not just helping poor children go to school; we are helping the youth build a future filled with dignity and opportunity. We are addressing real problems, finding real solutions, and bringing real change.

We work hand in hand with NGOs, corporate partners, government institutions, international organizations, researchers, and volunteers – because we believe that when hearts unite for a noble cause, nothing is impossible.

May Allah accept our efforts, guide our steps, and keep our intentions pure. Together, we will continue to serve humanity with sincerity, dignity, and unwavering hope.

The Vice Chairman's Message

Dr. Syed Shahbaz Shah

In the name of Allah, the Most Beneficent, the Most Merciful

In the Name of Allah, the Most Gracious, the Most Merciful

All praise is due to Allah! It is the greatest honor of my life to serve as the Vice Chairman of the Sadat Itehad Welfare Organization Pakistan (Registered) – a mission devoted to humanitarian service, unity of the Sadat community, and the welfare of society at large.

Our journey is not merely an organizational effort; it is a sacred responsibility entrusted to us through our lineage to the Holy Prophet ﷺ, and the teachings of our noble forefathers. The dignity of Sadat, the support of deserving and marginalized families, and the spread of goodness and compassion in society – this is our purpose and our guiding principle.

Over the past years, despite numerous challenges, our resolve to serve has never weakened. Whether it is the distribution of Ramadan Ration Bags, the sponsorship of orphans, the provision of educational scholarships, or the delivery of medical and emergency services – every step we take is driven by the hope of bringing a smile to someone's face and rekindling hope in their heart.

I am especially grateful to our respected Founder Syed Nasir Ali Shah, whose leadership, sincerity, and guidance are like a beacon of light for us all.

In my view, our true strength lies in our dedicated members, our passionate youth volunteers, and the countless well-wishers who support this caravan of service with their prayers and love. I appeal to all my brothers and sisters to strengthen each other's hands in this noble mission so that Sadat families and all deserving people across Sindh can live with dignity, support, and happiness.

Let us all pledge to make the legacy of our elders, the Sunnah of the Holy Prophet ﷺ, and the service of humanity the purpose of our lives. Insha'Allah, this mission will be a beacon of hope and light for generations to come.

The President's Message

Syed Hizibullah Shah Rashidi (Raja Saen)

In the name of Allah, the Most Beneficent, the Most Merciful
It is with great humility and deep gratitude to Almighty Allah that I address you as the President of the Sindh Province Sadat Itehad Welfare Organization Pakistan (Registered). This platform is not merely an organization—it is a movement of unity, service, and faith, dedicated to preserving the dignity and well-being of our noble Sadat community while extending a hand of compassion to all in need.

We, the descendants of the Holy Prophet ﷺ, have inherited not only a proud lineage but also a sacred duty: to be a beacon of hope, justice, and mercy in society. Guided by these values, our organization has worked tirelessly to serve the poor, the deserving, and the vulnerable—providing education, healthcare, Ramadan rations, scholarships, orphan support, and medical assistance across Sindh and beyond.

The challenges before us are many—poverty, lack of educational opportunities, and social disparities. Yet, our faith teaches us that with unity, sincerity, and hard work, no obstacle is too great to overcome. It is my firm belief that by empowering our youth, nurturing our women, and fostering a culture of brotherhood, we can bring about a lasting transformation in our community.

This journey is not mine alone. It belongs to every member, volunteer, and supporter who has stood by us with love, prayers, and selfless dedication. Your efforts are the backbone of our mission, and I pray that Allah rewards you abundantly for your contributions.

Let us continue to walk together—shoulder to shoulder—in service of humanity and in honor of the legacy of our beloved Prophet ﷺ. May Allah bless our organization, guide our decisions, and accept our humble efforts for His sake.

It is not just an honor, but a sacred trust for me to serve as the Information Secretary of the Pakistan Sadat Itehad Welfare Organization (Registered) – a platform built on the principles of unity, dignity, service, and sacrifice for the Sadat community and all of humanity.

In this age of constant change, communication is more than words; it is a bridge of hearts, a beacon of awareness, and the very pulse of unity. Through this role, I am blessed with the responsibility to ensure that the voices, needs, and achievements of our organization reach every supporter, well-wisher, and those who stand in solidarity with our cause.

Every Ramadan when we distribute Ration Bags to struggling families, every time we help a deserving student continue their education, every moment we provide medical care or preserve our cultural and spiritual heritage – we are not just performing tasks.
